

## **ALCHEMY CLUB presents PT-30 & T-30**

Talent is wasted if not recognized and praised. And we believed that management education is not only about giving presentation and sitting in classrooms. Rather it is a platform for students to explore their hidden skills and talents to gain confidence. PT 30 & T 30 both have given a lot of exposure to students in both forms- verbal and non-verbal communications. Events like Debate, Flipback, Jam, commentary competition, face painting, Rangoli Competition, Antakshari, Ad-zap, Dance and so on....were organized to give an opportunity to our students to exhibit their various skills. There was a lot of buzz and excitement in the campus during the event. Everybody enjoyed himself and it ended in a grand style.
