Shri Aurobindo Chaudhuri Debate Competition for Special GOTA Selection on 27th June, 2008.

Shri Aurobindo Chaudhuri Debate Competition was 1st Trimester Students. There were two rounds of debate. First round was the elimination round where all 63 students participated in the elimination round. The topic for the elimination round was- "As a nation we are finished". We short listed 14 students from the batch and on Friday, 27th June, 2008 was the final round of the debate where we had Prof. Dipankar Sarkar and Prof. Sudipto Chatterjee as Jury.

The topic for the final round was- "Identity as an Indian is dead"

Students were fantastic in their presentation and their delivery. Some students proved their stand with emotions like singing National Anthem where some talked about the brain drain and citizens doubts their nationality. All 14 students performed exceptionally and handled the Q&A round beautifully.
Over all, mind blowing debate and event.
