

## **FAREWELL FOR THE BATCH PGP/FW/2006-2008**

Time to say Good bye to one of the best batches that IIPM has witnessed. This was a highly emotional time for the faculties as well as the students. With such a variety of students in the batch, some have managed to bag the best placements in the campus. The student with the highest domestic package ever is from this batch.

This was the perfect place for faculties of IIPM to wish students best of luck for their future. Prof. Dipankar Sarkar's speech was full of emotions and praise of the students, while Prof. Sudipto Chatterjee geared all the students with his own style of karisma and sent a message to Smile always in whatever the situation.

After speeches and award function, there was dinner and dance. For the last time students danced together and enjoyed every minute of the function. Students were seen dancing almost till midnight. The dinner was lavish and Yum with starters, mock tails, Mexican, Traditional Punjabi food, Salads, Chocolate pudding, Halwas and all. Complete vegetarian cuisine. All the vegetarian eaters relish the food. Well for non-vegetarian eaters....change is nice...☺
