

## **FAREWELL OF SS -06-08 BATCH**

This one was really emotional. This has been one of the best batches in the campus. Some of the best placements ever in this campus have been bagged by students of this batch. Most of the students were fantastic, be it in terms of academics or be it in terms of non-academics. Finally, we had to bid them farewell. Many of the students went very emotional.

After the speeches and the award functions, there were dinner and dances. Everyone danced his heart out. Students were seen dancing almost till midnight. The dinner was also lavish. The spread was huge. There were starters, mocktails, baked beans, three vegetable dishes, macaroni dishes, three lentil based dishes, assorted parathas, pulao, rice, salads, pudding, kheer, sweets and all. No one could eat so much! Non-vegetarians could please excuse us. We are in Gujarat!
