

Dean : Prof. Amit Baruah

Infrastructure:

The IIPM Chandigarh campus is spread across 1.5 acres of prime land in the Industrial Area in Mohali. With a coverage of over 37,000 sq feet of built up space across 4 levels, the campus is a true reflection of modern architectural marvel mixed with traditional landscaped greenery. The Chandigarh campus is always abuzz with activities - both academic and co-curricular, through which students get a platform to showcase their talent and skills. Seminars, conferences, Guest lectures by renowned corporates and academicians from national and international arena give an edge to the students to learn and enhance their knowledge along with the Industry visits. The cafeteria and canteen areas in the building is the most bustling place. The 3500 sq feet of auditorium space can seat around 240 and is equipped with state of the art presentation gadgets. There are currently 10 fully furnished classrooms, each fitted with LCD projectors and screens and are wi-fi enabled. A huge library dons a major portion of the

basement, with 2400 sq feet of space housing over 3, 000 management titles, CD ROMs, journals and magazines. The campus also provides enough space and opportunities for the students to participate in various indoor games like billiards, table-tennis, chess or work out in the multi-gym. An outdoor Badminton court is an additional feature of the campus.

Faculty:

At IIPM Chandigarh, faculty members comprise of people from both academic and corporate fraternity. They bring along with them a rich background in academic research and managerial expertise respectively. Additionally, the mix of youth and experience of these faculty members offer a wide scope for the students to gain conceptual knowledge on one hand and cutting edge skill sets on the other. As in other IIPM campuses, a pool of permanent faculty members are available on the campus round the clock to mentor and guide students in areas related to academics and career development. Students on campus also spend a lot of time, discussing issues related to current affairs and general business and economic environment with these faculty members inside or outside the classroom. Many of the IIPM faculty members contribute regularly in various IIPM publications in the form of research articles and case studies or engage in various training workshops or executive development programmes on campus, from time to time.
