

IIPM's Chennai campus was started in the year 2003 by Planman. It is located in the central business district of the city, in the vicinity of leading corporate establishments on Marshall Road. The Chennai centre reflects the essence of IIPM standardization, which is maintained in all the IIPM centres across the country, with acute detailing in its infrastructure, student relations, curriculum, faculty, evaluation process and co-curricular activities.

IIPM Chennai's location in the heart of the city in Egmore not only makes it conducive for academic pursuit but also takes the institute closer to the corporate and student community. The campus is within 3 kilometers from Chennai Central Railway Station and about 3 kilometers away from the famous Marina Beach.

### Infrastructure:

The IIPM Tower is a four storey Wi-Fi enabled building, offering over 20,000 sq. ft of total built up space for academic and research purposes. The roof top cafeteria is a major draw amongst the students, offering sumptuous South Indian and North Indian recipes. The IIPM tower has 10 Wi-Fi enabled classrooms, a 120-seater auditorium and a 50-seater computer lab, which forms

a part of the main academic block. The campus has facilities for indoor games like table tennis, chess, carrom amongst others. The IIPM library is a treasure trove of management titles from all over the world. The library currently stocks up to 15,000 leading titles covering various fields of management. There is also a sizeable collection of journals, magazines and case-studies from the world over.

### Faculty

The Institute has a balanced strength of faculty resources that include people with rich and varied experience in academics and industry. The faculty of the Institute possesses expertise in teaching, research, training and consultancy that signifies learning at the Institute to be a right mix of theory, application and practice that is in tune with the industry needs.

Dean (Academics) Prof. R Krishnan

## Faculty list
